Re: Amended 30 Day Post-General Report (10/14/10-11/22/10), received 2/10/11

To Ms. Miller:

This letter is in response to the inquiry sent on March 4, 2011, requesting additional information on the following item:

1. Schedule E of your report indicates that your committee may have failed to file one or more of the required 24 hour notices regarding 'last minute' independent expenditures

Due to clerical error, the date of the independent expenditure in question was reported as 10/31/10, when in fact the date was 10/1/10. We have amended the Pre-General and Post-General Reports to reflect this correction.

The following note was also included in the inquiry:

Schedule B discloses an expenditure for 'Media Buy.' Public communications that refer to a clearly identified federal candidate, but that do not expressly advocate the election or defeat of that candidate should be reported on Schedule B for Line 21(b) of the Detailed Summary Page. Please clarify whether this activity contained express advocacy and amend your report to properly disclose this activity, if necessary.

The expenditure described as 'Media Buy' did not contain express advocacy.

Sincerely,

Catherine Duvall
